Welcome to Abacus Solutions Group – your premier partner for comprehensive Information Technology Service Management, Cyber Security, and IT services tailored specifically to meet the rigorous demands of Federal, DoD, and other large government clients. As a Service-Disabled Veteran-Owned Small Business (SDVOSB), we pride ourselves on our innovative technology practices, meticulously managed through tested and forward-leaning processes. What sets us apart is our unwavering commitment to delivering top-tier technical personnel precisely when and where they're needed, facilitated by our robust and aggressive recruiting functions. At Abacus, we don't just provide IT solutions; we revolutionize them through a unique blend of innovation, process enhancement, and a culture deeply rooted in making a lasting impact on families across generations. By investing in our people, we foster a culture of excellence that translates into improved retention, performance, and ultimately, the success of our clients. We are not just providers; we are difference makers.
